BG Parks and Recreation Virtual Talent Show

Bored at home? Need to do something fun, active, or creative? Need to practice but don't have an audience? Need to express yourself?

Let's make the most out of our time at home and make it fun & creative! Artists NEVER stop creating, and now is the time to show up, share your talents, & spread some joy! Introducing the Bowling Green Parks & Recreation Department's Digital Talent Show!

How it works?

This competition is open to individuals of all ages. Entries may be divided into different categories by video type or age based on number of entries. Acts can be 1-2 minutes long & individuals can submit 1 video per contest.

Video submissions should be uploaded to a youtube account and the link to your video should be emailed to Ivan at ivan@bgohio.org. When the videos are received, reviewed & approved, the link will be posted on the official Facebook Page of the Bowling Green Parks & Recreation Department at www.facebook.com/bgparcs.rec

The community will vote on the top videos with "likes" under your post, and at the end of the contest period the video with the most amount of likes will be declared the winner for that contest period.
